SHEFFIELD
AMERICAN OF MARTINSVILLE

SHEFFIELD—a reflection of the 17th Century Renaissance in England. The pre-restoration age of grand scale and important design statement comes to the 20th Century in a beautiful manner.

Design motifs reminiscent of late Tudor halls and baronial palace ceilings set off this furniture as exquisitely unusual. For example, genuine wood carvings adorn almost every piece. And the variety of carvings recalls the versatility of the Renaissance artisans.

True craftsmanship is the hallmark of SHEFFIELD. Constructed of hardy oak veneers and select hardwoods, these pieces are finished in a beautiful dark baronial finish highlighted to bring out the beauty of the wood.

Furniture for every room in the house — beautifully distinguished — exquisitely crafted—SHEFFIELD.
